2B. Experience of Applicant, Subrecipient(s), and Other Partners

Christian Churches United (CCU) has operated the HELP Ministries office in Harrisburg for almost 40 years as a hub of services for households in financial crisis and/or who are homeless, including shelter intake, homeless prevention and rapid rehousing programming, and other rental and utility assistance. We have also operated Susquehanna Harbor Safe Haven, a Safe Haven program for men since 2009. We have been very active in the local CoC, the Capital Area Coalition on Homelessness, and involved in the rollout of the the local Coordinated Entry process.

2. Describe the experience of the applicant and potential subrecipients (if any) in leveraging other Federal, State, local, and private sector funds.

In addition to HUD funding, CCU has received funding through the Dauphin County Homeless Assistance Program, the local United Way, grants from multiple local foundations, and financial support from local faith communities

3. Describe the basic organization and management structure of the applicant and subrecipients (if any). Include evidence of internal and external coordination and an adequate financial accounting system.

CCU is led by a full-time Executive Director. We have full-time Program Managers for both the HELP Ministries and Susquehanna Harbor Safe Haven programs. We have a part-time Office Administrator and an external accounting/bookkeeping firm to manage the day-to-day accounting, and a Finance Committee of the Board of Directors including an active Treasurer to provide oversight of the accounting system. As mentioned above, we are active in the Capital Area Coalition on Homelessness and partner with many other local agencies in providing our services.

4a. Are there any unresolved monitoring or audit findings for any HUD grants(including ESG) operated by the applicant or potential subrecipients (if any)? No

3A. Project Detail

1a. CoC Number and Name: PA-501 - Harrisburg/Dauphin County CoC

1b. CoC Collaborative Applicant Name: Capital Area Coalition on Homelessness

2. Project Name: HELP Ministries Coordinated Entry

3. Project Status: Standard

4. Component Type: SSO

5. Does this project use one or more properties that have been conveyed through the Title V process? No

6. Is this new project application requesting to transition from eligible renewal project(s) that were awarded to the same recipient and fully eliminated through reallocation in the FY 2018 CoC Program Competition? (Section II.B.2. and Section III.C.3.q. of the FY 2018 NOFA). No

3B. Project Description

1. Provide a description that addresses the entire scope of the proposed project.

CCU proposes to hire two Coordinated Entry Specialists to oversee the implementation of the HELP Ministries office becoming a comprehensive access point for the CoC Coordinated Entry system, as well as have a Coordinated Entry Specialist who is mobile and partnering with street outreach efforts. As the system currently is designed, it is a "no wrong door" approach, and the HELP Ministries office has passed information for those entering they system and prioritized for permanent housing and other supportive services to the Capital Area Coalition on Homelessness, which has managed the housing waiting list. Upon hiring and training this specialist, the HELP Ministries office would conduct both the initial entry assessment as well the follow-up vulnerability assessment for anyone prioritized for housing services and assure that households are promptly entered on the housing waitlist. This will help assure that the Coordinated Entry system is more accessible to those seeking housing through homelessness services and will assure that those who are most vulnerable are prioritized for housing openings.

The Coordinated Entry Specialists will partner with Capital Area Coalition on Homelessness staff in giving leadership to the CoC Coordinated Entry and Referral Team made up of case managers from local agencies which provide transitional and permanent housing. This will include assigning referrals which come through the no wrong door Coordinated Entry tool to the appropriate agency for vulnerability assessment and then following up to make sure the appropriate data is entered in the HMIS and on the housing waitlist.

The Coordinated Entry Specialists will work closely with CCU's Resource Counselors, who currently conduct intake interviews for local shelters serving families and single women. This will assure that permanent housing services are made available to those seeking shelter, whether or not there are shelter spaces available. One of the specialists will also work closely with a newly developed street outreach initiative to assure that entry and vulnerability assessments are conducted for those unable or unwilling to come to a physical access point.

2. For each primary project location or structure in the project, enter the number of days from the execution of the grant agreement that each of the following milestones will occur as related to CoC Program funds requested in this project application. If a milestone is not applicable, leave the associated fields blank. If the project has only one location or structure, or no structures, complete only column A. If multiple structures, complete one column for each structure.

Note: To expend funds within statutorily required deadlines, project applicants must be able to begin assistance within 12 months of conditional award. The one exception is for applicants who are conditionally awarded sponsor-based and project-based rental assistance. These conditional award recipients will have 24 months to execute a grant agreement; however, HUD encourages all recipients conditionally awarded funds to begin assistance within 12 months.

The estimated schedule should reflect these statutorily required deadlines.

4. Please select the type of SSO project: Coordinated Entry

4a. Will the coordinated entry process funded in part by this grant cover the CoC's entire geographic area? Yes

4b. Will the coordinated entry process funded in part by this grant be easily accessible? Yes

A flier will be developed and distributed among all homeless service and other

social services providers describing how and where the coordinated entry process can be accessed, with a special focus on sharing among those who do outreach to unsheltered individuals. This include the overnight mens shelter, the day drop-in center, and the many groups which have feeding ministries on the streets.

4d. Does the coordinated entry process use a comprehensive, standardized assessment process? Yes

4e. Describe the referral process and how the coordinated entry process ensures that participants are directed to appropriate housing and/or services.

Instructions:

Enter the quantity and total budget request for each supportive services cost. The request entered should be equivalent to the cost of one year of the relevant supportive service.

Eligible Costs: The system populates a list of eligible supportive services for which funds can be requested. The costs listed are the only costs allowed under 24 CFR 578.53.

Annual Assistance Requested: This is a required field. For each grant year, enter the amount of funds requested for each activity. The amount entered must only be the amount that is DIRECTLY related to providing supportive services to homeless participants.

Total Annual Assistance Requested: This field is automatically calculated based on the sum of the annual assistance requests entered for each activity.
