

Before Starting the Project Application

To ensure that the Project Application is completed accurately, ALL project applicants should review the following information BEFORE beginning the application.

Things to Remember

- Additional training resources can be found on the HUD Exchange at <https://www.hudexchange.info/e-snaps/guides/coc-program-competition-resources/> - Program policy questions and problems related to completing the application in e-snaps may be directed to HUD via the HUD Exchange Ask A Question.
- Project applicants are required to have a Data Universal Numbering System (DUNS) number and an active registration in the Central Contractor Registration (CCR)/System for Award Management (SAM) in order to apply for funding under the Fiscal Year (FY) 2018 Continuum of Care (CoC) Program Competition. For more information see FY 2018 CoC Program Competition NOFA.
- To ensure that applications are considered for funding, applicants should read all sections of the FY 2018 CoC Program NOFA and the FY 2017 General Section NOFA.
- Detailed instructions can be found on the left menu within e-snaps. They contain more comprehensive instructions and so should be used in tandem with onscreen text and the hide/show instructions found on each individual screen.
- Before starting the project application, all project applicants must complete or update (as applicable) the Project Applicant Profile in e-snaps.
- Carefully review each question in the Project Application. Questions from previous competitions may have been changed or removed, or new questions may have been added, and information previously submitted may or may not be relevant. Data from the FY 2017 Project Application will be imported into the FY 2018 Project Application; however, applicants will be required to review all fields for accuracy and to update information that may have been adjusted through the post award process or a grant agreement amendment. Data entered in the post award and amendment forms in e-snaps will not be imported into the project application.
- Expiring Shelter Plus Care projects requesting renewal funding for the first time under 24 CFR part 578, and rental assistance projects can only request the number of units and unit size as approved in the final HUD-approved Grant Inventory Worksheet (GIW).
- Expiring Supportive Housing Projects requesting renewal funding for the first time under 24 CFR part 578, transitional housing, permanent supportive housing with leasing, rapid re-housing, supportive services only, renewing safe havens, and HMIS can only request the Annual Renewal Amount (ARA) that appears on the CoC's HUD-approved GIW. If the ARA is reduced through the CoC's reallocation process, the final project funding request must reflect the reduced amount listed on the CoC's reallocation forms.
- HUD reserves the right to reduce or reject any renewal project that fails to adhere to 24 CFR part 578 and the application requirements set forth in the FY 2018 CoC Program Competition NOFA.

Information About Submission without Changes

After Part 1 is completed; including this screen, Recipient Performance screen, and Renewal Grant Consolidation screen, then Parts 2-6, are available for review as "Read-Only;" except for 3A, 7A and 7B which are mandatory for all projects to update. After project applicants finish reviewing all screens, they will be guided to a "Submissions without Changes" Screen. At this screen, if applicants decide no edits or updates are required to any screens other than the mandatory questions, they can submit without changes. However, if changes to the application are required, e-snaps allows applicants to open individual screens for editing, rather than the entire application. After project applicants select the screens they intend to edit via checkboxes, click "Save" and those screens will be available for edit. Importantly, once an applicant makes those selections and clicks "Save" the applicant cannot uncheck those boxes.

If the project is a first-time renewal or selects "Fully Consolidated" on the Renewal Grants Consolidation screen, the "Submit Without Changes" function is not available, and applicants must input data into the application for all required fields relevant to the component type.

Recipient Performance

1. Has the recipient successfully submitted the APR on time for the most recently expired grant term related to this renewal project request? Yes

2. Does the recipient have any unresolved HUD Monitoring and/or OIG Audit findings concerning any previous grant term related to this renewal project request? No

3. Has the recipient maintained consistent Quarterly Drawdowns for the most recent grant term related to this renewal project request? Yes

4. Have any Funds been recaptured by HUD for the most recently expired grant term related to this renewal project request? No

Renewal Grant Consolidation Screen

HUD encourages the consolidation of renewal grants. As part of the FY 2018 CoC Program project application process, project applicants can request their eligible renewal projects to be part of a Renewal Grant Consolidation. This process can consolidate up to 4 renewal grants into 1 consolidated grant. This means recipients no longer must wait for grant amendments to consolidate grants. All projects that are part of a renewal grant consolidation must expire in Calendar Year (CY) 2019, as confirmed on the FY 2018 Final GIW, must be to the same recipient, and must be for the same component and project type (i.e., PH-PSH, PH-RRH, Joint TH/PH-RRH, TH, SSO, SSO-CE or HMIS).

1. Is this project application requesting to be part of a renewal grant consolidation in the FY 2018 CoC Program Competition? **No**
If “No” click on “Next” or “Save & Next” below to move to the next screen.

3B. Project Description

1. Provide a description that addresses the entire scope of the proposed project.

Susquehanna Harbor Safe Haven, SHSH, is part of the continuum of care's plan to end chronic homelessness in the community. The safe haven houses 25 chronically homeless men with a mental health diagnosis. This is a low demand housing alternative for men on the streets, those in emergency shelter situations and those who are in precarious living situations. While there are several facilities in this community that address the needs of homeless men, none deal specifically with men who have mental illness AND who are chronically homeless. Harrisburg attracts many men who are looking for work and social services, bringing a variety of people who may become homeless. Men who are on the streets are generally dually diagnosed and often have a very difficult time finding employment, accessing social services, finding housing or even health care. The staff of SHSH work with many local social services agencies for referrals to the program and to provide other supportive services, including the county mental health case management unit and other agencies that provide similar services. The staff also connect residents with the employment programs of the YWCA Greater Harrisburg, Veterans' Outreach, the Center for Peace and Justice, the local housing authorities, local churches and any other agencies that assist in providing seamless services to the homeless. In addition to operating Susquehanna Harbor Safe Haven, Christian Churches United also partners with local churches to coordinate an emergency overnight shelter during the winter months. This outreach effort provides a good place to make connections with men who may be able to move into the supportive housing at the safe haven.

Susquehanna Harbor is divided into two floors. The first floor is semi private spaces; all residents must begin their safe haven stay on the first floor. Residents may become eligible to move up to the second floor once they have regular income, continue their mental health case management and continue working on other goals. The upstairs has separate living spaces, bathrooms and laundry.

The main goals of the program are to provide a safe, permanent housing situation and give supportive services so that residents can reach a degree of independent living. Our goal is to assist residents to obtain income, expand their life skills and/or increase their education or job skills at the resident's self-directed pace.

Two ongoing goals of the program are to maintain a high percentage of residents who successfully transition into independent permanent housing and to do sufficient outreach to keep a high occupancy rate for our bed space. Our specific goal for 2016-17 is to fill any empty bed within one month of it coming open.
